

Different Ways

70 programs for Arturia CS80 v4 software

Different Ways includes 70 varied programs ranging from nostalgic classics to refreshing and different sounds, thanks to the judicious addition that Arturia has made to this magical emulation of the Yamaha Cs80

To load this bank you just have to open your Cs80 v4 virtual instrument and import the file :

(CS-80V4_BANK_DIFFERENTWAYS)

*Thank you for purchasing Different Ways !
and good sound discovery !*
